

Aim for Zero C!

2022 Ver.

Please continue to **wear a mask, wash your hands, ventilate, aim for Zero C, and help prevent the spread of infection even after vaccination.**

**Avoid
Close-contact
settings**

**Avoid
Crowded
places**

**Avoid
Closed
spaces**

Take precautions based on the infection status.

Interacting with others

- **Make enough space** with others!
- **Avoid crowded places or busy times!**
- **Work remotely and rotate commuting shifts!**
- **Avoid close-contact settings and crowded places, even outdoors!**

Dining

- **Keep it short. Small gatherings only. Do not speak loudly!**
- **Choose certified restaurants!**
(acrylic boards installed, regularly sterilized and ventilated)
- **Choose take-out and delivery options!**

Important

Wear a mask when talking

- ▶ Stay home when you feel unwell.
- ▶ Everyone is encouraged to get vaccinated when eligible.
- ▶ Your actions will protect the lives of your family, friends, and everyone in your community.
